Dear Supporter of Music:

Please consider becoming a sponsor of the Cass High School Bands. Your sponsorship will support this outstanding music program that promotes leadership, commitment, innovation, and excellence in every facet of a student's life.

You will receive the following benefits by being a sponsor of Cass High School Bands:

- Advertising and exposure of your business to all who attend Cass High football games and all band sponsored events. This includes the Northwest Georgia Marching Band Championship hosted by Cass High School, Cass Bands winter and spring concerts, and on Cass High School Bands website [www.CassBands.org](http://www.CassBands.org)
- A Tax-Deductible Donation:
  - Cass High School Bands is a 501c3 non-profit organization.
- Recognition of your support of music in the schools and helping our ongoing efforts to making a difference in the lives of the students in our community.
- Maximizing the finances received through student participation fees and fundraising.
- Providing students with performance opportunities, equipment, and professional training.

Along with sponsor donations, the Cass High School Band Booster Organization works hard during the year to raise funds that help provide band students the opportunity to further their musical skills. Students and parents participate in various fundraising opportunities as well as being involved in football game concessions, hosting marching band and winter guard competitions, and chaperoning games and competitions.

Building on the success of the 2021 and 2022 seasons, the Cass Bands received multiple competitive awards along with reaching new firsts in both marching and concert seasons in 2023:

- The marching band received their class championship awards at three different Georgia competitions and finished the season as Gold Division Grand Champions at the White Columns Invitational.
- On the national circuit, the marching band performed in the Bands of America Regional competitions in Chattanooga and Johnson City where they made finals in both competitions. In Chattanooga and Johnson City, they finished in 1<sup>st</sup> place in Class 2A and 3<sup>rd</sup> place in finals. In 2022, Cass was the only first-time participant this year to reach the finals of a Bands of America competition out of 623 first time bands and finished in 7<sup>th</sup> place.
- Cass High concert and symphonic bands received Superior ratings at Large Group Performance Evaluation (LGPE).
- Twenty-eight students made All-District Honor Band and four made All-State Honor Band. Both the Wind and Percussion ensembles were invited to Music for All events and The Wind Ensemble was invited to the 45<sup>th</sup> annual 2023 University of South Carolina Honor Band clinic.

While students worked hard for these accomplishments, band students are also required to keep their grades up in and out of marching band season. Cass Bands has the highest GPA out of all non-academic organizations at Cass High School with a 3.8. They sacrifice their free time because they value and believe in the benefits of being involved in music. In addition, many band members are also members of school athletic teams, District Honors and All-State Bands, Atlanta Youth Symphony Orchestra, and Georgia Governor's Honors Programs.

Thank you in advance for supporting the Cass High School Bands and your community.

Sincerely,

Lindsey Langhans  
Cass Bands Booster  
President
