Dear Supporter of Music:

Please consider becoming a sponsor of the Cass High School Bands. Your sponsorship will support this outstanding music program that promotes leadership, commitment, innovation, and excellence in every facet of a student's life.

You will receive the following benefits by being a sponsor of Cass High School Bands:

- Advertising and exposure of your business to all who attend Cass High Football Games and all band sponsored events. This includes the Northwest Georgia Marching Band Championship hosted by Cass High School, Cass Bands winter and spring concerts, and on Cass High School Bands website www.CassBands.org
- A Tax-Deductible Donation –
 - Cass High School Bands is a 501c3 non-profit organization.
- Recognition of your support to music in the schools and helping our ongoing efforts to making a difference in the lives of the students in our community.

Cass High School Band Booster club members work hard during the year to raise funds to provide every student the opportunity to further their musical skills. Students and parents participate in various fundraising opportunities. They are also involved in football game concessions, hosting band and winter guard competitions, and chaperoning games and competitions.

In addition to the efforts of the Cass High School Band Boosters, we need your help and support! Your tax-deductible donation will help our students achieve their goals by:

- maximizing the finances received through student participation fees and fundraising.
- providing students with performance opportunities, equipment, and professional training.

The 2021 marching band competition season was Cass High School Band's winningest season. The marching band received numerous section awards at three different competitions and over-all band awards of Grand Champion at the Super Bowl of Sound competition and at the White Columns Invitational. They also received Superior ratings at Large Group Performance Exhibition (LGPE). While students worked hard to accomplish this, band students are also required to keep their grades up in and out of marching band season. They sacrifice their free time because they value and believe in the benefits of being involved in music. In addition, many band members are also members of school athletic teams, District Honors and All-State Bands, Atlanta Youth Symphony Orchestra, and Georgia Governor's Honors Programs.

Thank you in advance for supporting the Cass High School Bands and your community.

Sincerely,

Sam Iddings
Director of Bands

Amy Heater
President of Cass Bands Booster
