

How to Buy Tickets on GoFan

You can purchase GoFan tickets by [clicking here](#) or downloading the GoFan app onto your mobile device.

1. Once you are on **GoFan.co** -----**search for your school's name.**
2. Click on the desired event you would like to attend and enter the number of tickets you will need.
 - **Cass High School**=Home Link
 - **Visiting School**=Away Link
3. Click "Buy Tickets."
4. Log-in or create a GoFan account (email and password). This ensures you receive your confirmation email and tickets.
5. If needed, enter additional information. Once all fields are completed, click "Submit."
6. Click "Buy Tickets" to be prompted to enter credit card information and complete your transaction.

How to Share Tickets (you purchase for others)

1. Select the "Share Tickets" icon on the top right of the tickets page on your GoFan app.
2. Next, select the tickets you would like to share.
3. Click "Confirm" to be sure you chose the correct tickets.
4. Then, click "Transfer Tickets." You can transfer tickets by either email or text. Select your desired method and enter the contact information

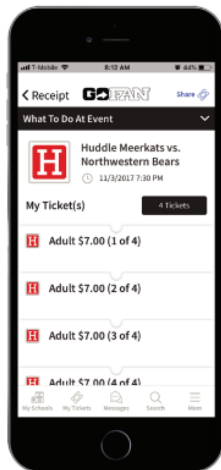

How to validate mobile tickets

GoFan offers a mobile solution to validate tickets (see below). Fans will not print their ticket, they will simply present their phone at the gate for fast and secure entry.

VERY IMPORTANT: *TICKET SHOULD NOT BE VALIDATED UNTIL PATRON ENTERS THROUGH GATE !!!!!!!

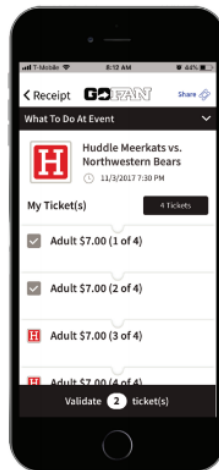

Fans can access their tickets by downloading the GoFan app (apple) or click view tickets from the email confirmation received after purchase. [See Below]

Watch this [video on how to validate mobile tickets](#) or [download the mobile solution user guide](#).
